

Powr-Flite®

Automatic Scrubber/Grout Cleaner

The Professional Choice for Floor Care Equipment

- Designed to clean any hard floor type
- Powerful brush and vacuum action restores ceramic tile floor right down to the grout
- Exceptional performance – leaves floors visibly cleaner and totally dry
- Spring-loaded scrub deck for better performance on uneven/tiled floors
- Cylinder brush maximizes cleaning performance when cleaning non-slip, safety, or textured floors
- Multi-directional – cleans and dries forwards and backwards
- Adjustable handle provides maximum operator comfort

The new CAS16 compact auto scrubber provides greater productivity and better performance than traditional mopping. It is ideal for small to medium areas such as food service areas and kitchens, entrance lobbies, schools, restaurants, shops and offices. The CAS16 is very user friendly with an adjustable handle and easy to remove recovery and solution tanks making cleaning effortless.
