- Many Upgraded Features
- High Performance Power and Light Weight
- G-Force Engine Air Pre-Cleaner™
- i-30™ Technology for Easier Starting
- Vibration Reduction System

CHAIN SAWS

CS-370 CHAIN SAW

Increased Power and Professional Features Make the CS-370 the Best Value in its Class

The new CS-370 is a mid-range saw that features a 36.3 cc Power Boost Vortex™ engine, the new G-Force Engine Air Pre-Cleaner™, the ECHO i-30™ starting system and lots more. The CS-370 is designed for the professional tree care operator, demanding farmer or rancher, and the discerning homeowner.

The G-Force Engine Air Pre-Cleaner™ increases engine life by spinning out dirt prior to filtration

The rear-mounted, automotive-style air filter features tool-less removal and exceptional filtration since it's positioned away from dirt and debris

The ECHO i-30™ starting system reduces starting effort by 30%

2 year consumer, 1 year commercial, and 90 day rental warranty.
